RE: Andrews for Congress ID number C00243428

Dear Ms. Iovino:

This letter serves as a response to your letter dated February 19, 2009 regarding the Andrews for Congress 30 Day Post General Report and the increase in the amount of disbursements from the original report.

When I originally amended the Post General report I failed to alert you to a mistake I made in entering the disbursements. On November 24, 2008, a check in the amount of \$28,000 was written to TD/Commerce Bank. November 24th was also the last day of the Post General reporting period. I closed out our committees books for that reporting period prior to receiving the check from my assistant. My assistant forwards me all the contributions and disbursements on a weekly basis and when I received that disbursement I did not check the date. I made the incorrect assumption that it was for the next reporting period. However, when entering the disbursement into our filing software I entered the date on the check, November 24th, as it was the date the disbursement was made, which put it on the Post General Report and therefore was disclosed on the amendment but not the original report. Our committee has taken the appropriate steps to prevent this type of mistake from occurring in the future.

As always, please contact me if you need any additional information. I appreciate your diligence in assisting us with our compliance.

Very truly yours,

Maureen Doherty
